Greetings,

I am looking forward to the new year coming up and I would appreciate your help and input as to how we can improve the attendance at the General Meetings and participation in the activities at our club.

Other areas of concern are volunteers for our many programs, promotion of new members in our Post and the American Legion.

We have many good programs that we need volunteers to chair and help with such as Children and Youth, school awards programs, Boys State, etc. This year we will be hosting delegations from the Legacy Riders, North Carolina and Michigan for the National Convention to be held in August. In order to make a success of this project we need a lot of volunteer help. If you are available to help please contact the Sf. Vice Commander Ariel Rodriguez, I am sure he would welcome your support.

We have a new manager for Kilroys that is trying to build a club that you would be proud to bring your family to. Please watch for her activities in the bimonthly news letter, as well as on line, and give her your support.

So I am asking for your support for our Commander and his newly elected officers and staff for the 2008-2009 year. Please email me your suggestions at aladjutantpost2@yahoo.com or drop me a note at the club.

Annual Bell Ringing

Friday, July 4th, 2008

We will have our annual Ringing of the Bell at Post 2. There will be a short ceremony in the main hall at 10:00 AM before the Bell Ringing.

This event has been hosted by Past Commander Bob Dunstan for many years.

Due to failing health he has decided to step aside and allow another individual to spearhead the program. As a long time assistant, I will be leading this year's program.

After the ceremony, there will be a meal for everyone. This year's format will be a "Potluck". So please bring something to share. Keep in mind that after the Memorial Day Ceremonies, there were a lot of hungry people and not much food. Help us out by providing the dish of your choice.

The bell is important to our Post.

If you know the history, please come by and ring it.

If you don't know what the bell signifies, come by and learn about its history.

I look forward to seeing you.

Thank you,

Post 2 Americanism Chairman

Tom Gleason

Congratulations to all newly elected officers.

Greetings from Unit 2

Unit 2's installation was held on June 4th, 2008. Fingerfoods were provided to members and guests. Meetings for July & August will be held on the first Wednesday at 7:30 PM. Come join us.

Remember the Fourth of July Bell Ringing, at Post 2. If you don't know the history of the bell hanging in our bell tower, here is your chance to find out all about it. Plus have a good time, maybe meet new friends, and see some old friends. This is a family affair, so bring a covered dish to share. See you all there.

We could use some volunteers to help with not only the Post Cleanup & National Convention, but some of our programs need help too. Veterans Affairs & Rehabilitation, Poppies (which provide some of the funds for veteran's programs) and many others. If you can't do a chairmanship or be on a committee, do you have a few hours to spare this year to help us?

Hi everyone

I am changing my Friday night menu for the months of July, Aug and September.

It has slowed down a bit, kids are out of school and families are on vacation and our snow birds are gone until then. So what I think I might do is just offer the fish dinner, tenderloins, and Burgers along with a different special every week!!

So starting this friday night it will be in full force so the menu will consist of fish, Steaks, Burgers and the Chefs special.

I hope to see you all here Friday night.
