## Discover Kilroy's!

Looking for something new? Somewhere to bring the family or friends? Have a good time without spending a lot? It may be as close as your own Post!

Kilroy's has a new Manager and she has some ideas for you to know about. Just look at the calendar for starters! Then see the flyers on the special nights and I think you'll agree; there's something going on!

Anita Calawa comes to us with some serious credentials and a "family army" of her own to get the job done. Her husband is not only one of the Road Captains for our Legion Riders but helps out in the kitchen! A Souse Chef on call along with her son Preston who attends McClintock High, they help make sure her culinary creations come out right, and on time.

Anita has over 15 years as a Head Chef in San Diego and Culinary Chef in Napa Valley California. Managed two bars and just to make sure she was ready for us,

managed American Legion Post 116 in Oregon!

In her spare time she does volunteer work for the Humane Society, works with handicapped adults and children, and volunteers with the Breast Cancer Society.

I had to ask; "what are your plans for Post 2?"

"I'd like to bring out the camaraderie and fun that the American Legion has meant to me and my family over the years. A place where our members can call home, bring family, friends, or visiting guests. By bringing the best quality and service at a very affordable price along with some great events and special nights I want this to be the place we all talk about because it's so much fun!"

Don't know about you, but to me, that's a winning recipe! So check that calendar, mark your won for a couple of these special evenings and come on out!

## THE AMERICAN LEGION LEGACY RUN

**Indianapolis to Phoenix  
Five Days for The American  
Legion Legacy Scholarship  
Fund**

August 17-21, 2008--Riding For America's Future

National Commander Marty Conatser will help kick off the 2008 American Legion Legacy Run from Indianapolis to the 90th Annual American Legion National Convention in Phoenix in August 2008.

Hundreds of riders from across The United States will gather for the third consecutive year in Indianapolis. They will thunder through seven states and the Southwestern deserts for five grueling days to make possible a college education for the children of American servicemen and women who have died defending our freedoms since the attacks of September 11, 2001.

Other riders will join each day and increase the number of participants along the 1,800-mile route, which follows along much of the famous "Route 66." The riders' goal is to raise no less than \$350,000 for **THE AMERICAN LEGION LEGACY SCHOLARSHIP** for the 90th Annual American Legion National Convention.

The American Legion Riders and American Legion posts along the route will play a crucial supporting role by manning refueling stops, coordinating with local law enforcement officials, and supporting The American Legion Legacy Run road warriors with food and water.

The American Legion Legacy Run welcomes all riders from all over the country to join. All who register for the ride receive the 2008 Run patch set as well as a mapbook with information about exact routes, scheduled stops, timetables, daily maps, and checkpoint locations.

**Registration is now open.**

## Legion Riders President's Message

2008 is starting off to be a great year, 97 members strong and many good times ahead.

If you have been at the Legion on a Friday night, you may have been part of our 50/50, which has been for Legion activities. In the month of February all money collected will be going to the SAL, "Child Welfare", this also includes the money raised from the ALR Steak Fry held on February 23<sup>rd</sup>. The money will be presented at the SAL Campout being held on April 4-6<sup>th</sup>. I hope to see a lot of the Riders & Post 2 members there.

Post 2 will be hosting the 2008 Legacy Run, August 21, 2008. This is not only an honor, but comes with a lot of responsibility. The Legacy Run is an event that starts in Indianapolis, IN and ends here in Tempe. Riders will be coming from all over the United States. Beginning in April the 50/50 held on Friday nights will be targeted for the

Legacy Run along with any Fundraisers that we will be doing.

I want to thank all the riders and Post 2 members for their continuing support that is shown for us. A special thanks to Commander Chuck Wood for his confidence he shows in all of the riders.

To my riders, I want you to know how much I appreciate you all coming down on Friday nights and for supporting the Post in so many ways.

## ALR News

The ALR is continuing to grow with our membership approaching the 100-member number. As more and more people visit our Post, and hear about the good work and good times that we enjoy together, they want to be a part of it. Think of the reasons why you joined. As with any group, we experience some growing pains, but with our mission in view, which is to enjoy the motorcycling experience together, promote safety and Patriotism, and have fun doing it, we will continue to grow and prosper. We have a schedule of activities coming up and the best way to stay abreast of these is to attend our bi-monthly meetings. The next best way is to get on President "Tumbleweeds" mailing list. If you're not on it yet, you can e-mail him at [tumbleweed1@cox.net](mailto:tumbleweed1@cox.net) and request to get on it. Some of the activities coming up in the near future are: on February 23 we will be attending the Iwo Jima Flag Raising Parade in Sacaton, AZ. Those of us that went there last year will attest to the fact that it's a great time and we were very well received by the people of the town. That same day we will be having an "ALR Cow Poke Steak Fry" at Post 2 from 5 to 7:30 PM. So dust off your cowboy hat, and your western gear, and come on down. From \$9.00 you get an 8 once rib eye, baked potato,

cowboy beans, salad and a roll. On the 24<sup>th</sup> we will have our meeting starting at 12 PM. The SAL will not have a breakfast that morning due to the Americanism banquet that day, so join us at Denny's around the corner from the Post, at 9:30 AM. Post 2 is holding their annual Birthday and Americanism banquet. They would like to know ahead of time if you can attend though, for food planning purposes. On March 1<sup>st</sup> the ALR State meeting will be in Apache Junction at 12 PM with lunch at 11 AM. All are welcomed and encouraged to attend. On March 9<sup>th</sup> we will have our meeting at 12 PM, and after that are planning to ride to the Lost Dutchman's Goldrush Event. I've attended this in the past and can attest to the fact that it's a good time. Our meetings are scheduled on the 9<sup>th</sup> and 23<sup>rd</sup> in March, and on the 13<sup>th</sup> and 27<sup>th</sup> in April. The April meetings will be very important to attend, as on the 9<sup>th</sup> we will be having nominations of officers, with the elections on the 27<sup>th</sup>. Remember, as a member of the ALR, your input into our activities, and help in electing the people who will lead us in the next year, is very important to our continued growth and has an impact on our value as a group and as members of the Legion Family. Until the next time, ride safe.
