### ***For The Good of the Post!!***

A Committee has been established by the Commander to set goals and establish projects to improve Post 2 to make it better than ever for current members, visiting members and prospective members. The Legion, Auxiliary, SAL, Riders, VFW and VFW Auxiliary all have at least one representative on the Committee. Currently, we are working on a project of fencing the back area that will allow us to open the Hall doors and utilize the grassy area for eating and drinking. The materials have been ordered and the construction should begin after March 1<sup>st</sup>. Along with this project, we are also receiving quotes on adding a fence to the front area (street-side), along with moving the current drainage system and laying down concrete with the hopes of putting tables, chairs and umbrellas out front. This will open up the bar area and help many of our members who can no longer tolerate the smokiness of Kilroy's.

This committee is also looking at areas to save money. If you have the necessary qualifications and would be interested in volunteer bartending on Saturday evenings, please let Mary Underwood know.

Communication is another area of concern. We will be mailing the newsletter to all members that do not have an email address and who request it. Please fill out the form in this newsletter. If you have a new email address and would like to continue to receive the newsletters, please provide us with your address by sending an email to [WBALPost2@cox.net](mailto:WBALPost2@cox.net). We want all Members to receive the newsletters, but we also do not want to spend money when it is not necessary.

Good for the Post Committee
