Post 2 Commander

Presidents Corner

This year is quickly coming to a close. Nomination of Officers is ongoing.

We still have one office not filled. If you are interested, please bring yourself to the next meeting.

Here is where your voice counts. Find out who is running for what. If an office is not filled, the outgoing officer has to remain in that Office.

It has been a very good year for Unit 2. Our school presentations have already started. Linda Topham has been taking care of this. Thanks Linda for a job well done. Girls Staters are ready to go. Linda has met all of them along with their Moms. How great is that?

Roxie is doing the presentations for the youth group at Gililand middle school. (This youth group is the Honor Society) They have helped us with many projects through out the year. They are great teens and we want to show our appreciation to them.

Our awards for the JROTC were awarded in April, Lula Vomhof did the presentations. Two deserving young ladies (cadets) were given the awards. Medals and Citations were given. (this was our first time giving the medals)

Poppys will be offered on three different Saturdays in May. A Legionnaire and Auxiliary member will be going out together. This has not been done for many years. So if you are asked to help, please do so. Linda Topham is also in charge of our Poppy Program.

This will be my last newsletter as your President. I am not running for office this next year. I would like to take this time to thank each and everyone of you, for the great jobs you have done. I plan to remain active, (its been a habit to go to the meetings.) Never know what will come up. The officers and chairmen who served with me have made this a banner year. You all know that a President just leads, the members do the work. So many programs have worked out well this past year. I'm just so proud to have been the President this year.

Ashley Olsen, one of our Junior members is going to Girls State this summer in Tucson. We wish her the best and believe she will learn a lot from this program. Congratulations Ashley!

I've not touched base with our older members, but as far I know, things have remained the same with them. No one has called to say any different. So no news is good news.

Thank you again Ladies for all your help, I hope you will support the officers for the coming year, as you have supported us this past year. I love you all.

Norma

There have been multiple requests for Post 2 to be on facebook.

If anyone is interested in handling this, please let me know.

We will need the Post's permission to do this.

I simply do not have the time to accomplish this although I can help with any information or where to get it.

It's that time again Memorial Day and the Annual Poppy Drive.

We have enclosed a self addressed envelope.

Remember, these funds received by donations may only be used
for programs for our Veterans.

These donations are tax deductible and if you would like a receipt,
please ask and we will provide you with one.

These donations really help with the programs and
we cannot do them without your help.

Some of these are:

Creative Arts (veterans), VA Hospital & VA Home Bingo, (or provide a small Holiday Party
for the veterans), VA Gift Shop, VA Social Services, State Veteran Home, USO, POW/MIA,
National Cemetery and the 4 Chaplains.

From the Manager's Cove:

Many THANKS to Rich LaBrake, Angelo Lombardi and Gary Remeikas for fixing the water leak outside.
Rich and Angelo also replaced some tiles in the kitchen. Rich, Angelo and Wally Hitchcock also moved the
old freezer out of the kitchen. We now have a working freezer donated by Barb and Tom Gleason and a
second one donated by Gary Peters and Dave Brown delivered by Dave and Carmella Brown.
Barb Gleason is also updating our office computer. Sure do appreciate everyone pitching in to help. With
the expertise of Dave Brown, we now have our WI FI up and in operation.

Each Tuesday we will be having snacks donated by our members from 3 PM til gone.

Anyone who would like to participate please contact me at the club or by e-mail.

Kilroys e-mail : kilroyspst2mgr@yahoo.com

Please remember that only the actual workers are to be in the kitchen. This is by the Board of Health.

And last

MY HEARTFELT THANKS to EVERYONE for ALL the support and love during my recent illness.

See you all at the Post.
